Players, Parents & Fans,

Welcome to the 1st Annual SCCMBL All-Star Game. We had three objectives in mind when we put this game on the League schedule:

1. to recognize our League's top players;
2. to allow our players to get to know each other;
3. to have a fun evening of baseball.

2011 was the first year of operation for our League and I am pleased to report that all went very well in our inaugural season. Much of the credit for this goes to our six head coaches. They made my job as President a very positive experience. Every coach shared a commitment to the League and to fair play. A truly outstanding group of baseball men.

Thanks Naps, Bill, Dan, Ed, Frank and Bobby.

Congratulations to Palatine, our 2011 League Champion. They will represent our League at the Illinois Connie Mack Championship in Ottawa, July 13-16. Best wishes to Frank Mariani and his boys as they try to advance to the Connie Mack Regional in Battle Creek, MI.

Regarding the future, the League will consider adding new teams at our September League meeting. We may or may not expand from our current six teams. Interested teams should contact me now.

A final thank you to our players' parents for your enthusiasm for the great game of baseball and for the support you've shown for your sons and their team.

Play Ball!

Don Wallace
President, SCCMBL.
